

ROHIT YADAV

MCA Student | Web Developer | Software Developer

India | Mobile: 7739303731 | Email: ry7739303731@gmail.com | Portfolio: <https://rohit-portfolio-98ia.vercel.app/>

CAREER OBJECTIVE

Motivated MCA student with a strong interest in software development and web technologies. Interested in creating practical, responsive and user-friendly applications using modern programming technologies. Seeking an opportunity to apply technical knowledge, improve problem-solving skills and contribute to real-world software projects.

EDUCATION

Master of Computer Applications (MCA) — Kanpur Institute of Technology (KIT), Kanpur | AKTU | 2025–2027

Bachelor of Science (B.Sc.) | 2021–2024

TECHNICAL SKILLS

Programming: Java, Python, JavaScript

Frontend: HTML5, CSS3, React.js, Tailwind CSS

Backend: Node.js, REST API Basics

Database: SQL, PostgreSQL

Core: OOP, DSA, DBMS, Operating Systems, Software Engineering

Development: Responsive Web Design, API Integration, Database Connectivity

PROJECTS

Food Waste Donation Platform

- Developed a web platform connecting food donors with people and organizations.
- Implemented donation details, pickup location and database functionality.
- Designed a responsive and user-friendly interface.
- Technologies: HTML, CSS, JavaScript, SQL/PostgreSQL.

Face Authentication System

- Developed a web-based face authentication system concept.
- Designed the authentication interface and user interaction flow.
- Explored frontend, backend and face-recognition integration.
- Technologies: Web Technologies, JavaScript, Backend Integration.

RELEVANT COURSEWORK

Data Structures & Algorithms • Object-Oriented Programming • DBMS • Operating Systems • Software Engineering • Web Technologies • Computer Networks • Computer Architecture

CERTIFICATIONS & TRAINING

- Hands-on practice in Java, Python and JavaScript programming.
- Practical learning in SQL and PostgreSQL database management.
- Web development practice using React.js, Tailwind CSS and Node.js.
- Academic project development and software engineering practices.

ACHIEVEMENTS & ACTIVITIES

- Developed multiple academic and practical web-development projects.
- Regularly practice programming, DSA and problem-solving.
- Continuously explore modern web-development technologies and frameworks.

KEY STRENGTHS

Problem Solving • Logical Thinking • Quick Learning • Team Collaboration • Communication • Adaptability • Time Management

PROFESSIONAL INTERESTS

Full-Stack Web Development • Software Development • Backend Development • Database Management • AI/ML • DSA & Problem Solving

LANGUAGES

Hindi • English

DECLARATION

I hereby declare that the information provided above is true and correct to the best of my knowledge.
